

ADELAIDE 4 + 5 May, 2019

Lightbox Radiology will present one of our most popular face to face courses in the city of churches. This will be your only opportunity to attend our Paediatrics course in 2019. Seats are strictly limited so book early to avoid disappointment.

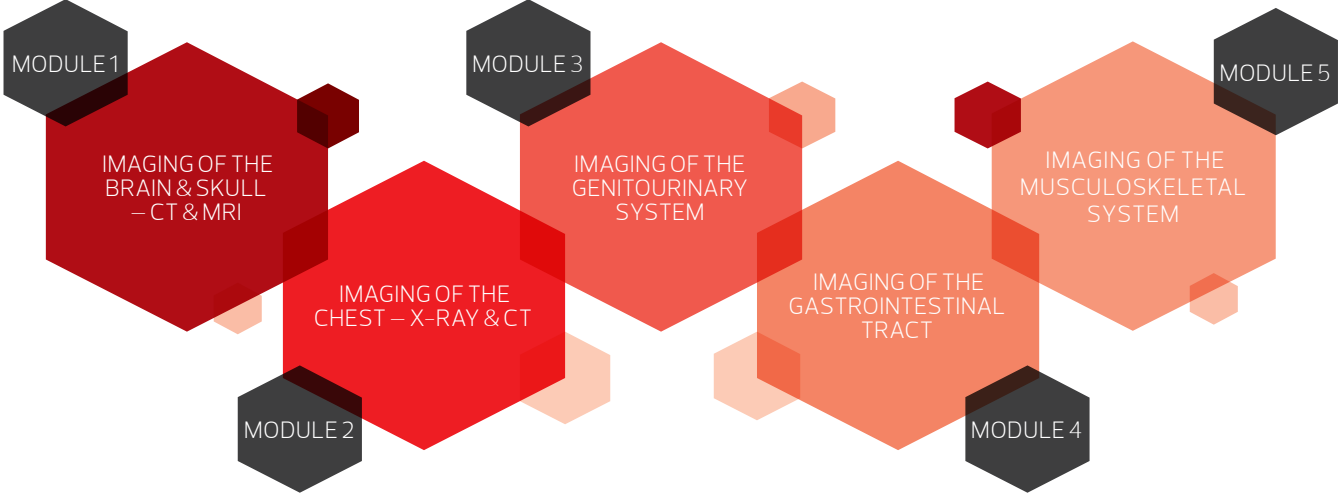

\$660
AUD
1.5 days

► Paediatric Imaging Interpretation

An introduction to imaging interpretation of commonly encountered paediatric disease.

The course covers imaging of the head, chest, abdomen + musculoskeletal system in 5 modules over 1.5 days. Each module is composed of a lecture followed by an interactive session where delegates review cases with X-ray, Ultrasound, CT + MRI to consolidate fundamental principles of imaging interpretation.

- Includes online pre-course modules, lectures, case reviews + post course test.
