

NOOSA 10 February, 2019

By request, Lightbox Radiology Education are holding our ever-popular Obstetrics + Gynaecology Ultrasound course in Noosa this summer.

\$890
AUD
1 day

► Ultrasound – Obstetrics + Gynaecology

This course is designed to provide participants with the knowledge and confidence to review imaging commonly seen in obstetrics and gynaecology.

This course offers pre-course online lectures to complete prior to a full day hands-on workshop with simulators and live models. The pre-course modules will examine imaging modalities, techniques and interpretation of common pathology whilst the simulators and live models offer a hands-on learning experience. Limited places available.

COURSE CURRICULUM
