QUEENSTOWN, NZ

Rydges Lakeland Resort, Queenstown

8–11 August, 2022

THE LOCATION

Stay & play in New Zealand's adrenaline capital of Queenstown. Hit the powdery slopes of the Remarkables in the morning and regroup for our lectures & interactive learning sessions by evening. Seats are strictly limited so book early to avoid disappointment.

THE COURSE

CT | Acute Medical & Surgical Interpretation

This interactive course covers acquisition, normal variations, patterns of disease & pitfalls in CT imaging of the head, chest, abdomen and pelvis. Case reviews for each module reinforce fundamental learning objectives.

FIJI

Hilton Fiji Beach Resort and Spa

18-22 July, 2022

THE LOCATION

Located in the heart of the South Pacific, Fiji is blessed with 333 tropical islands. Fiji's white sand beaches and pristine, crystal-clear ocean waters offer an ideal vacation destination for water lovers and families, or simply those looking to relax and get away from it all.

THE COURSE

Critical Care Imaging Interpretation

A comprehensive overview of X-Ray, Ultrasound, CT and MRI imaging interpretation of commonly encountered disease in the critical care setting. Each module comprises a lecture followed by quizzes and an interactive case review session across X-Ray, Ultrasound, CT and MRI to consolidate fundamental principles of imaging interpretation.

This course has been designed for radiology registrars, emergency and ICU physicians, surgical registrars, junior doctors and radiographers.
