QUEENSTOWN, NZ

Rydges Lakeland Resort, Queenstown

8-11 August, 2022

THE LOCATION

Stay & play in New Zealand's adrenaline capital of Queenstown. Hit the powdery slopes of the Remarkables in the morning and regroup for our lectures & interactive learning sessions by evening. Seats are strictly limited so book early to avoid disappointment.

THE COURSE

CT Acute Medical + Surgical Interpretation Essentials

This interactive course covers acquisition, normal variations, patterns of disease & pitfalls in CT imaging of the head, chest, abdomen and pelvis. Case reviews for each module reinforce fundamental learning objectives.

NOOSA

Sunshine Coast, Queensland

11 September, 2022

Ultrasound Medical + Surgical Workshop

9 October, 2022

Echocardiography Workshop

5–6 November, 2022

CT Acute Medical + Surgical Interpretation Essentials

X-Ray Chest + Emergency Interpretation Essentials

X-Ray Acute Interpretation in Physiotherapy

BALI

Courtyard Marriott, Seminyak

18-21 September, 2023

THE LOCATION

Based in the luxury hub of Seminyak, our course timetable will give you the time to explore all Bali has to offer. Lectures + interactive learning sessions finish mid morning, leaving you to relax by the pool or immerse yourself in Bali's natural wonders.

THE COURSE

X-Ray Chest + Emergency Interpretation Essentials,
Chest Interpretation Essentials, Emergency Interpretation
Essentials or Acute Interpretation in Physiotherapy Essentials

This course provides a comprehensive review of Chest and Emergency X-Ray interpretation and upper and lower limb interpretation. Recognise a normal X-Ray and common patterns of disease and radiographic patterns of trauma and injury commonly encountered for each body area.
